

What, Only One God?

Ex 20:2-3, Deut. 5:6-7, Matt 4:10, Luke 4:8

Why don't people believe in God?

- Everybody is right theory - **no absolute truth** (Judges 21:25, James 1:8)
- Science and technology - **no need** (Rom. 1: 25)
- World events - **no sense**
- Hypocrisy - **no difference** (James 1:22-26, 2:14-20)

Uniqueness's of God: (Deut. 4:32)

- God spoke to them. (v. 33, John 1:1-14)
- God rescued them. (v. 34a, Rom. 5:6-8)
- God cared for them. (v. 34b, Matt. 6:26-34)

Why did He do that? (Deut. 4)

- So we would know that He is God and that there is no other. (v. 35)
- So He could instruct us. (v. 36a - intellectual)
- So He could speak to us. (v. 36b - personal)
- So He could show His love towards us. (v. 37a)
- So He could show us His power. (v. 37b)
- So He could bless us. (v. 38)

Points to ponder: (Deut. 4)

- Remember, keep the truths of God forever in your mind, for they will change your forever! (v. 39a)
- Remember, if you live for Him on earth, you will live with Him in Heaven! (v. 39b)
- Remember this truth, not open for debate, there is no other God! (v. 39c)
- Remember, obedience always brings about God's blessing! (v. 40)
