

What to do when we fear!

Psalm 27

What should we do during "fearful" situations: (Phil. 4:6-7)

- Understand that the Lord is our help. (v. 1a)
 - Light – clarity, direction
 - Salvation – life, solution
- Know that the Lord is our protection. (vv. 1b-2, 5)
 - He is our fortress.
 - Our enemies will stumble and fall.
 - He will hide us.
 - He will place us out of reach. (John 10:28-30)
- Focus on the Lord, not the problem. (vv. 4, 6b)
 - Live in the house of the Lord. (enjoying His presence)
 - Delighting in the Lord.
 - Meditating in His temple. (seek His will and character)
 - Offer sacrifices.
 - Sing and offer praise to the Lord.
- Have faith that the Lord hears us and won't abandon us. (vv. 7-10)
- Remain faithful to the Lord through the trial. (vv. 11-12)
- Believe the Lord will give us victory. (vv. 3, 6a, 13)
 - My heart will not be afraid.
 - I will remain confident.
 - I will hold my head high.
- Wait patiently for the Lord's help. (v. 14)

Points to Ponder:

- The Lord is our solution, include Him!
- The Lord is bigger than our problem, focus on Him!
- The Lord is on our side, trust Him!
- The Lord is never late, wait on Him!
